MAISON DEUX
design studio

design studio

Maison Deux is a Dutch design studio by Woes & Pia Weinberg. Founded to design fun, minimalist products for contemporary homes. All products are made from high-quality materials that last for generations. Simple and iconic products with a playful twist.

kids rugs

The Maison Deux rug collection consists out of high quality kids rugs that are 3D textured. A true statement piece for your kids room, made from super soft 100% New Zealand wool. Designed in Holland and hand-tufted by artisans in India.

3D textured

The woolen kids rugs feature different levels of pile heights with carved accents to create a subtle 3D effect. A unique 3D texture that pops right off the floor. This beautiful technique adds a sensory and fun element to the rugs and brings the design alive.

100% New Zealand wool

The Maison Deux rug collection is hand-tufted from high-quality 100% New Zealand wool by artisans from India. This natural and durable material is super-soft underfoot.

fairtrade

To enhance our ambition for a more sustainable and social future, all rugs are certified with the GoodWeave label. The best assurance that no child labor, forced labor or bonded labor is used in the production cycle. Besides, with every purchase you support programs that educate children. For more info visit goodweave.org.

ice cream rug

ice cream rug

The Ice Cream Rug is a fun and sophisticated rug that fits any children's room. This cute kids rug is hand-tufted from 100% pure new wool with a cotton backing. Besides the rug is finished with low and high piles and carved elements to give a subtle 3D look. A fun and high-quality nursery rug combining durability and style. An aesthetic rug that is very soft to walk on.

eyes rug

eyes rug

An eye-catching area rug that brings fun to your child's room and keep those feet warm. The Eyes Rug is a playful set of round rugs that encourages lots of playtime. Rotate the rug and create your own expressions. This fun rug design is hand-tufted from 100% pure new wool in low-high pile height.

**rainbow rug
natural**

rainbow rug natural

Decorate your children's room with the 3D textured Rainbow Rug made of 100% New Zealand wool in a natural color. Each rainbow stroke is roundly cut and hand-carved to create a bubbly embossement. Kids love to touch it as it adds a sensory and fun element to the rug. A real treat for their feet.

100% New Zealand wool / dimensions: 110 × 56 cm
