

MrMqia®

We make designs to
brighten the day,
home and world

Playful design

Timeless shapes,
full of character

Cozy companion

Peaceful spirit,
warm white light only

*Our designer Jannes Hak is
responsible for shaping characters
into Mr Maria designs that
brighten the world.*

Made to last

High quality durable product materials, BPA free, LED light source

Easy to use

Designed to keep it simple

We work closely together with partners in product development to make sure our products reflect our values.
